Section 1116 (c)(2)

The school involves parents in an organized, ongoing, and timely way:

In the planning, review, and improvement of the Title I.A program and if applicable Schoolwide program plan in the school. Section 1116 (c)(3)

Describe how parents are involved in the planning, review, and improvement of the Title I.A program and if applicable Schoolwide program plan in the school.

Parents provide input through our PTO, open house meetings with teachers and two parent teacher conferences. Parents also provide input through individual meetings with their student's teachers throughout the school year.

In the planning, review, and improvement of the school parent and family engagement policy. Section 1116 (c)(3)

Describe how parents are involved in the planning, review, and improvement of the school parent and family engagement policy.

Parents and PTO assist in planning family literacy/numeracy nights. Parents have the opportunity to provide feedback following the activities and their feedback is used to plan future offerings.

The school provides parents of participating children:

▼ Timely information about the Title I.A programs, Section 1116 (c)(4)(A)

Describe plans to provide information about the Title I.A programs.

The school contacts parents about opportunities with our Title programs via email, Facebook, and the district's web page. Parent are contacted to attend open hour and our Title meeting is then held to communicate with parents. Written information is provided at the Title meeting and is abailable on the web page and the counselor's office.

A description and explanation of the curriculum in use at the school, the forms of academic assessments that are used to measure progress, and the achievement levels of the MAP assessment.

Section 1116 (c)(4)(B)

Describe methods and plans to provide a description and explanation of the curriculum, academic assessments, and MAP achievement levels.

The district distributes i-Ready and MAP results, teachers communicate the focus of curriculum and a variety of formative assessments are shared with parents as part of on-going evaluation of student progress.

- Opportunities, as appropriate, to participate in decisions relating to the education of their children. Section 1116 (c)(4)(C)
- Responses to their suggestions as soon as possible. Section 1116 (c)(4)(C)

SHARED RESPONSIBILITY FOR HIGH STUDENT ACHIEVEMENT

School-Parent Compact

The School-Parent Compact outlines how parents, the entire school staff, and students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership to help children achieve the State's high standards. Section 1116 (d)

The school jointly develops with parents of Title I.A served children the school-parent compact.

The school-parent compact will

Describe the ways in which all parents will be responsible for supporting their children's learning. Section 1116 (d)(1)

Parent/Guardian:
I want my child to achieve; therefore, I will encourage my child by doing the following:
See that my child attends school regularly and is on time.
Set aside time for homework and monitor it regularly.
Read with my child on a regular basis.
Communicate with my child's teachers on a regular basis.
Attend parent meetings or volunteer as possible.
Model respect for my child's teachers and for education in general.

Describe the school's responsibility to provide high-quality curriculum and instruction in a supportive and effective learning environment. Section 1116 (d)(1)

Teachers

It is important for teachers and families to work together; therefore, I will: Provide high quality instruction in a supportive environment. Set aside a time and place for parent visits to the classroom.

Make myself accessible to parents either before school, after school or during planning.

Communicate with parents on homework assignments.

Communicate with parents regularly about student progress.

Hold high expectations for ALL students believing that ALL students can learn.

- Addresses the importance of communication between teachers and parents on an ongoing basis through, at a minimum
 - Conducting parent-teacher conferences at least annually, during which the compact shall be discussed
 - Issuing frequent reports to parents on their children's progress
 - Providing reasonable access to staff, opportunities to volunteer, and observation of classroom activities
 - Ensuring regular two-way, meaningful communication between family members and school staff, and, in a language that family members can understand

Section 1116 (d)(2)(A)(B),(C),(D)

BUILDING CAPACITY FOR INVOLVEMENT

To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, the school

- Provides assistance to parents, as appropriate, in understanding
 - o the Missouri Learning Standards,
 - o the Missouri Assessment Program,
 - o local assessments,
 - o how to monitor a child's progress, and
 - o how to work with educators to improve the achievement of their children.

Section 1116 (e)(1)

Describe plans to provide assistance.

Teachers will communicate about MO Learning Standards and local assessments via open house, parent teacher conferences and family literacy and numeracy nights so parents are familiar with measures of student success.

Provides materials and training to help parents work with their children to improve achievement. Section 1116 (e)(2)

Describe plans to provide materials and training.

Parents are given access to their child's accelerated reader progress and we also provide some books for parents to take home and read with their children. Parents also actively participate in literacy and numeracy activities with their children on family reading/math nights. i-Ready programming through inidividualized learning paths will be available for both math and reading in the home setting.

Educates teachers, specialized instructional support personnel, principals, and other school leaders, and other staff, with the assistance of parents, in the value and utility of contributions of parents, and in how to reach out to, communicate with, and work with parents as equal partners, implement and coordinate parent programs, and build ties between parents and the school. Section 1116 (e)(3)

Describe plans to educate school personnel regarding working with parents.

All teachers are provided guidelines for informing parents about the school's literacy and math efforts and we hold two family reading/math nights, two parent-teacher conferences and an open house to encourage parent and teacher interaction. Teachers also contact parents via phone or email regarding individual student concerns as part of our multi-tiered system of supports.

To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic

achievement, the school

To the extent feasible and appropriate, coordinates and integrates parent involvement programs and activities with other Federal, State, and local programs, including public preschool programs, and conducts other activities, such as parent resource centers, that encourage and support parents in more fully participating in the education of their children. Section 1116 (e)(4)

Describe plans to coordinate and integrate.

We provide speech-language services to a local private/parochial school and two local pre-schools. In addition, we provide special education instruction to students from the local private/parochial school. We also have a part-time Parents as Teachers instructor and she makes home visits with pre-kindergarten parents and students.

- Ensures that information related to school and parent programs, meetings, and other activities is sent to the parents of participating children in a format and, in a language the parents can understand. Section 1116 (e)(5)
- 🗹 Provides reasonable support for parental involvement activities under this section as parents may request. Section 1116 (e)(14)

Optional additional assurances

To ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement, the school: (optional; check if applicable)

- Involves parents in the development of training for teachers, principals, and other educators to improve the effectiveness of parent involvement training. Section 1116 (e)(6)
- Provides necessary literacy training from Title I funds if the local educational agency has exhausted all other reasonably available sources of funding for literacy training. Section 1116 (e)(7)
- Pays reasonable and necessary expenses associated with local parental involvement activities, including transportation and child care costs, to enable parents to participate in school-related meetings and training sessions. Section 1116 (e)(8)
- ☐ Trains parents to enhance the involvement of other parents. Section 1116 (e)(9)
- Arranges school meetings at a variety of times, or conducts in-home conferences between teachers or other educators, who work directly with participating children, with parents who are unable to attend conferences at school, in order to maximize parental involvement and participation. Adopts and implements model approaches to improving parental involvement. Section 1116 (e)(10)
- May adopt and implement model approaches to improving parental involvement. Section 1116 (e)(11)
- \square Establishes a districtwide parent advisory council to provide advice on all matters related to parental involvement in Title I programs. Section 1116 (e)(12)
- May develop appropriate roles for community-based organizations and businesses in parent involvement activities. Section 1116 (e)(13)

ACCESSIBILITY

In carrying out the parent and family engagement requirements of the Title I program, the school, to the extent practicable,

- Provides opportunities for the informed participation of parents and family members, including:
 - Parent and family members who have limited English proficiency.
 - ☑ Parent and family members with disabilities.
 - Parent and family members of migratory children.
- Provides information and school reports in a format and, in a language parents understand. Section 1116 (f)

NEEDS ASSESSMENT: SCHOOL PROFILE

Student Demographics

The following data regarding student demographics has been collected, retained, and analyzed:

- Enrollment (Required)
- Grade level (Required)
- Ethnicity (Required)
- Attendance (Required)
- ✓ Mobility (Required)
- Socioeconomic status (Required)
- Discipline (Required)
- Limited English Proficiency (Required)

Summarize the analysis of data regarding student demographics:

Strengths:

High attendance and relatively stable enrollment of students in grades K-5. High participation by student families in reading and math nights and acceptance of Title I screening and intervention efforts. Literacy and numeracy curriculum related to Missouri Learning Standards is being evaluated and updated. Relatively few discipline referrals due to implementation of PBS for Tier 1 and Tier 2 interventions.

Weaknesses:

Lack of consistency in making data-based decisions based on screening and formative data in regards to the implementation of additional reading and math interventions.

Need for on-going professional development to ensure building-wide accepted practices regarding literacy and math instruction and research-based teaching methods are adhered to by all faculty - focus on implementing selected programs with fidelity.

Indicate needs related to strengths and weaknesses:

Systematic method of screening/formative assessments and general acceptance/knowledge by teachers for making data based decisions regarding instruction and intervetions for math and reading.

Monitor the literacy and math curriculum related to Missouri Learning Standards to better engage students and measure results (formative evaluations).

Need for building-wide accepted practices regarding literacy and math instruction and research-based teaching methods adhered to by all faculty - on-going professional development needed for all teachers in readers and writers workshop and other research-based instructional programming supported by in in-district instructional coach and materials.

Student Achievement

The following data regarding student achievement has been collected, retained, and analyzed:

- MAP results by content area and grade level, including multi-year trends (required)
- MAP results by ESEA Annual Measurable Objective: comparative data showing performance of disadvantaged students against all other meaningful categories of students in the school; comparison of performances of students in various subgroups (required)
- ✓ Completion rates: promotion/graduation rate, retention rates (if applicable)
- Post-Secondary trends: students attending and/or completing post-secondary schools, students accepted in the armed forces (if applicable)
- Other performance indicators used in analysis:

i-Ready diagnostic data

Summarize the analysis of data regarding student achievement:

Strengths:

Student attendance is strong.

Students generally score average or above on state assessments in regards to literacy, but have been generally stagnant over past several years. Math scores on state assessments are generally average or below average.

Implemented PLTW to provide opportunities for higher level thinking skills.

Implemented PBS to in order to increase instructional time in the classroom.

Weaknesses:

Special education services are heavily relied upon because there is a weakness in intervention strategies and a clear curriculum and supported teaching methodology.

Indicate needs related to strengths and weaknesses:

Teaching methodologies that are researched-based will need to be supported through on-going professional development for teachers.

The district needs an in-district regular instructional coach to guide teachers on how to help students achieve at higher levels.

The district needs to add more Tier 2 math support at the Elementary School.

Curriculum and Instruction

Data has been collected, retained, and analyzed regarding each of the following factors of curriculum and instruction at the school:

- Learning expectations
- Instructional program
- Instructional materials
- ✓ Instructional technology
- Support personnel

Summarize the analysis of data regarding curriculum and instruction:

Strengths:

All teachers are highly qualified in their fields

Teachers generally accept high quality professional development opportunities

Teaching culture operates from a growth mindset

Weaknesses:

We continue to work on building-wide vertical alignment of Missouri Learning Standards. Teachers are not always implementing interventions with fidelity. Teachers are not consistent across k-5 with educational programming.

There is a lack of materials to support current, research-based strategies and teaching methodologies for students.

Indicate needs related to strengths and weaknesses:

Student materials to support research-based educational programming
Teacher learning materials to support professional development
On-going teacher support from d Title teachers/aides

High Quality Professional Staff

Data has been collected, retained, and analyzed regarding each of the following factors of a high quality professional staff:

- ✓ Staff preparation
- Core courses taught by appropriately certified teachers
- ✓ Staff specialists and other support staff
- Staff demographics
- School administrators

Summarize the analysis of data regarding high quality professional staff:

Strengths:

All teachers are properly certified and engaged with creating a culture of learning.

Weaknesses:

Many teachers have not received adequate, on-going, support and training in literacy and math instruction. Multiple new teachers will be joining the faculty in 2021-22 school year, including a new principal.

Indicate needs related to strengths and weaknesses:

High quality professional development in literacy and math is needed with the support of the new Elementary Principal who previously served as the in-district instructional coach for the past two school years.

Family and Community Engagement

Data has been collected, retained, and analyzed regarding each of the following factors of family and community engagement at the school:

- Parental involvement
- Communication with parents
- ✓ Policy Involvement
- Parent education
- Support for special needs and underserved
- Health services

Summarize the analysis of data regarding family and community engagement:

Strengths:

Families and community members generally support the school district and attend school sponsored activities and events as well as family reading and math nights, parent / teacher conferences, and the open house.

Weaknesses:

School Context and Organization

Data has been collected, retained, and analyzed regarding each of the following factors of school context and organization at the school:

- School mission/vision
- Average class size
- ✓ School climate
- Management and governance
- Student discipline policy

Summarize the analysis of data regarding school context and organization:

Strengths:

Strong commitment by the faculty to updating instructional practices

Class sizes are within recommended state guidelines

Discipline is not a dominant negative factor

Weaknesses:

none noted

Indicate needs related to strengths and weaknesses:

NEEDS ASSESSMENT: IDENTIFYING PRIORITIES

"In most schools, conducting a comprehensive needs assessment will result in the identification of a large number of issues that could be addressed to improve the achievement of students. However, no school should attempt to address every identified need in a single year. Most planning experts suggest that schools prioritize their major issues and address no more than three of the most important..."
