#### SCHOOL HEALTH POLICIES

Welcome to Tipton R-VI School! Are you ready? We are excited to have you and look forward to getting to know you. I want to remind everyone about the school health policies:

• **FEVERS:** Students must be FEVER-FREE for 24 hours WITHOUT the use of Tylenol or Ibuprofen before returning to school. Any student with a fever of 100 or higher will be sent home.

#### • MEDICATION:

- All over-the-counter medication must be in the ORIGINAL package with a note that has the student's name, time it was last given, the time to be given, and a parent/guardian signature. Any OTC medications sent to school, an authorization form will be sent home to be filled out and returned the next school day.
- Prescription medication needs to be in the ORIGINAL prescription bottle along with a visit from the parent to fill out all necessary paperwork. Parents will need to fill out an authorization form that is signed before ANY medication will be given. The parent will also need to visit with myself to do a medication out on any tablets/capsules. (The pharmacies are good at making an extra labeled bottle to be used at school.)
- **HEAD LICE:** I do routine periodic checks on the Elementary students for head lice. Parents are asked to report known or suspected head lice problems to the school. When head lice are discovered at school, the parent will be contacted to come and take the child home for treatment. They will need to be treated with an effective head lice shampoo <u>and</u> nits be removed. Upon returning to school, the student <u>and</u> parent must check in with me so they may be cleared to return to school. If lice are still present, the student cannot return to school that day. They will have to return home to continue to work on getting rid of the lice. Confidentiality is given at all times.
- VISION AND HEARING SCREENINGS: Students in Kindergarten, 1st, 2nd, and 3rd grade are screened at the beginning of each year. Parent requests and teacher referrals will also be done as needed throughout the school year.
- **HEALTH AND MEDICATION CHANGES:** Please see that these are given to me as soon as possible to make sure proper care is given to your child at all times.
- **STOMACH AND HEADACHES:** Many students come into the nurse's office in the morning complaining of stomachs and/or headaches. Both of which are usually related to not having had breakfast. Please make sure your child has something to eat each day before coming to school or getting to school in a timely manner to eat breakfast here at school. This will help the students do their very best!

I look forward to meeting your child. If I can be of assistance or if you have any questions or concerns at any time, please let me know.
